

CORE CURRICULUM PREREQUISITE POLICY

Tier I courses may carry prerequisites deemed necessary by placement evaluation (e.g. ENGL 100 College Writing I - Critical Reading, SKIL 096 Mathematics for College - Quantitative Reasoning).

Tier II courses may carry prerequisites provided that the prerequisite course is also designated as a core course or that the course is deemed necessary by placement evaluation. (e.g., SPAN 101 Introduction to Spanish I for Language, Culture & Communication).

Tier III courses will carry no other prerequisites other than the prerequisite of: Completion of all Tier I and Tier II requirements and Junior Status.
