This 2022-2023 Massachusetts College of Liberal Arts academic catalog outlines programs of study. This catalog is an official publication of the Massachusetts College of Liberal Arts. The rules, regulations, policies, fees and other charges, courses of study, and academic requirements that appear in this catalog were in effect at the time of its publication. Like everything else in this catalog, they are published for informational purposes only, and they do not constitute a contract between the college and any student, applicant for admission, or other person.

Whether noted elsewhere in this catalog or not, the college reserves the right to change, eliminate, and add to any existing (and introduce additional) rules, regulations, policies, fees, and other charges, courses of study, course offerings, and academic requirements that appear in this catalog, the MCLA Community Standards (formerly known as the Student Handbook), on its website, or otherwise. Whenever it does so, the college will give as much advance notice as it considers feasible or appropriate, but it reserves the right in all cases to do so without notice.
